

Target Swingers

**No Tools Required
for Assembly**

#LRSB

#LRSCM

These versatile targets are light-weight, assemble and disassemble easily, without the aid of tools, and require minimal space for storage.

Targets can be supplied in **BattleShield™** rifle-grade steel or standard AR-500. PPI's certified manufacturing process guarantees full performance integrity of all materials - providing maximum product life and durability.

Any size frame or target silhouette may be supplied - matched to your specific requirements. Contact PPI for details.

#LRSHC

#LRSHM-5

NOTE: The #LRSHM model is available in a -5, -8, -10, and -12 version. The dash number indicates target area diameter in inches.
Example: -5 equals a 5 inch target area diameter.
